RESIDENTIAL APPRAISAL REQUIREMENTS

- Appraisals to be ordered by Fisgard or by broker and paid for by applicant
- Appraisals to include:
 - Colour Photographs of the subject property (front, rear, and street view plus interior photo of every room)
 - Must reference current potential economic rent(s) of the subject property if tenanted
 - Historic data and/or sales of the subject property, including any known environmental issues
 - Current market trend for the subject property
 - Estimated marketing time for the subject property should the property be listed today based on appraised value, market conditions, supply, and demand
 - Zoning of the subject property: Does it conform?
 - Overall condition (ratings) of the subject property
 - Foundation (type, condition) of the subject property
 - Current sales comparison of similar properties (adjustment %)
 - Similar square footage, age of construction, amenities, upgrades and condition
 - Location including distance to the subject property
 - Likeness
 - Marketing time (how long they were on the market) for the comparable properties listed
 - Colour photographs of the comparable properties listed
 - Map showing the locations of the subject property and the comparable properties listed
 - Extraordinary assumptions must be clearly defined so they are easy to read and understand
 - Any negative points that need to be addressed must be clearly pointed out
- Appraisals must be performed by appraisers with a CRA or AACI designation and send directly to Fisgard from the Appraiser
 - Appraisal reports by an inspector with “Candidate” status must signed by an AIC registered co-signer.
 - Appraisals performed by appraisers with a CNAREA designation will not be accepted by Fisgard

approved appraisers

COMMERCIAL APPRAISAL REQUIREMENTS

- Appraisals to be ordered by Fisgard or by broker and paid for by applicant
- Appraisals to include:
 - Colour Photographs of the subject property (front, rear, and street view plus interior photo of every room)
 - Building sketch and floor map of property, if available
 - Historic data and/or sales of the subject property, including any known environmental issues
 - Current market trend for the subject property
 - Estimated marketing time for the subject property should the property be listed today based on appraised value, market conditions, supply, and demand
 - Zoning of the subject property: Does it conform?
 - Highest and best use (as vacant and improved)
 - Overall condition (ratings) of the subject property
 - Remaining economic life
 - Foundation (type, condition) of the subject property
 - Income Approach and Direct Comparison Approach are required
 - Income Approach:
 - Comment on current rents for subject and compare to market rents
 - Provide rent roll (if available)
 - Cap rate used must be defined
 - Obtain expenses from the owner for operating costs
 - Note if lease is gross or net
 - Per Square Foot (PSF) amount used to obtain the base rent amount
 - Direct Comparison Approach
 - Current sales comparisons of similar properties
 - Similar square footage, age of construction, amenities, upgrades and condition
 - Likeness
 - Marketing time (how long were they on the market?)
 - Colour photographs
 - Map showing the locations of the subject property and the comparable properties listed
 - Extraordinary assumptions must be clearly defined so they are easy to read and understand
 - Any negative points that need to be addressed must be clearly pointed out
 - A current copy of the title of the subject property including the appraiser's review of the title and comments regarding any restrictive covenants on title
- Appraisals must be performed by appraisers with an AACI designation and sent directly to Fisgard Capital from the Appraiser
 - Appraisal reports by an inspector with "Candidate" status must signed by an AIC registered co-signer.
 - Appraisals performed by appraisers with a CNAREA designation will not be accepted by Fisgard.
